Edgbaston

October 13, 1867.

My dear Sir

I am glad to hear
you are returned safe & in
improved health to England
278
I hope to see you on Wednesday
Evening. It is perhaps needless
to say that as the Ex Committee
of the Union meets that Evening
and will perhaps sit late
I shall be much occupied
& my wife will be glad to see
yourself & son when it
may suit you to come there
one good beams from the
Eastern Station at 2.45

5 and 6 reaching Ken 6
8. 15 and 9. c or 9 15
Perhaps you will say by which
it will suit you to arrive
I shall not be able to be at
the Meeting in London to morrow
I am not sure whether W F
Mitchell (see papers respecting
him & his suspension) will be
there — but whether he is or not
I am anxious to secure your
cooperation by speaking on
his behalf and in favour of
the scheme we have Letter in
hand to recommend
He has proved himself

very acceptable and useful to
Jesus. His movements have
been principally confined to
Friends — and we hope this
Meeting tomorrow whether he
is absent or present will
be turned to account by re-
commending the Friends of
London & its Districts to obtain
open public meetings. Then
drawing room meetings for him
I hope others will take up
this particular recommendation
As your daughter does not
accompany you we shall
have a third room which
either at this house or
Mrs. A. we shall be

pleased to place at S Thompson's
disposal

As I have so many
letters to write perhaps you will
be able to communicate this to
him

Yours truly

Anna Richardson
